RESPONSE TO INTERVIEW SUMMARY

February 2, 2007

Mail Stop: Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

This is in response to the Interview Summary prepared by the Examiner and mailed on December 11, 2006, for the captioned patent application. The Interview Summary summarized the content of a telephonic interview which occurred on November 11, 2006, between the Examiner and applicants' prior representative, Jonathan Parks.

"Express Mail" mailing label number

ER524403436US

Date of Deposit February 2, 2007

I hereby certify that this paper or fee is being deposited with the United States Postal Service "Express Mail Post Office to Addressee" service under 37 CFR 1.10 on the date indicated above and is addressed to: Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450/Alexandria, VA 22313-1450

In a telephone conversation with the Examiner on January 31, 2007, it was confirmed that the objective of the November 11, 2006 interview was merely to identify correspondence between paragraphs and column/line numbers in certain information cited by the Examiner during prosecution of the present application. Thus, the interview was not substantive, and served only to clarify the physical location of certain information cited by the Examiner.

Accordingly, applicants submit that no separate summary of the November 11, 2006 interview is required, as it did not constitute a substantive review of any issues associated with the present application. Based on the January 31, 2007 conversation, it is applicants' understanding that the Examiner concurs in this characterization of the November 11, 2006 interview as a non-substantive, procedural session.

While applicants believe that no fees are due in connection with this response, authorization is nonetheless given to charge Deposit Account No. 11-1110 for any fees deemed necessary.

Favorable consideration and allowance are respectfully requested for the pending claims of the captioned application. Any questions regarding the present response are invited to the attention of applicants' undersigned representative.

Respectfully submitted,

Michael D. Lazzara
